

Dear Fellow IWCOA Hall of Fame Member,

I have worked with our school's Jostens representatives, Tom Hall and Troy Hall, to design a watch for all members of the IWCOA Hall of Fame. The selling price of \$90.31 includes shipping and handling and tax. The watch is an analog watch with gold dial, second hand, adjustable two tone bracelet, Japanese quartz movement, date box magnification, luminous hour and minute hands, and water resistant up to 100 feet, packaged in a black deluxe presentation gift box. The outer face of the watch will read IWCOA Hall of Fame, and the center of the watch will have the outline of the state of IL. The watch will ship within 1 week of placing your order.

Hope you enjoy your watch,

Joe Cliffe
